### THE GREENIE

Vol. 11

NOVEMBER 8, 1941

No. 5

Official Souvenir Football Program of Tulane University, Published for Each Home Game.

National Advertising Representative, Football Publications, 370 Lexington, New York City.

A season ticket purchaser in the North circle inquires as to the feasibility of transferring children and high school pupils from the South or Willow street end next season to the North circle, thus permitting adults to occupy the Willow street end.

The question is proper, plausible and pertinent. It has been asked frequently during the past few years. But, like most questions the answer is as broad as it is long.

University authorities gave comprehensive study and consideration to all seating problems in the spring of 1939 and again last spring, particularly to the point of moving the adults into the Willow street end and transferring the children and high school pupils into the North circle.

It was found impractical, however, to make the change because of several reasons, the most important being the fact that at least 65% of the fans using the North circle are also using the parking lot on that end of the stadium. It is not reasonable to believe that these people would prefer to walk around the stadium to gain admission on Willow street. Another major point is the fact that at least 90 percent of the children using the South stands walk to the stadium and perhaps 30 or 40 percent of this number are accompanied by their parents who hold West side tickets and who enter from the Willow street end of the stadium.

It is well to keep in mind that the children who attend the games, as a

whole, are very young, ranging in age from five and six years up and most parents would strongly object to their entering the stadium from the parking lot end.

The problems are many but the public may rest assured that Tulane athletic authorities are striving to solve them as best they may to the satisfaction of the greatest number of people and at the same time to give New Orleans a high grade schedule at prices within reach of all.

### Welcome Tide

It's always a football game of top interest when Green Wave meets Crimson Tide.

Today's game is no exception.

Both teams have been beaten. Both teams are among the most powerful in the nation. None can gainsay that either team might not beat any team in the country on any Saturday of the season were they meeting. There's that much power, speed and versatility there.

Counting today's crowd, Tulane's Greenies have played before more than a quarter million spectators this year already. With two more to go, the Greenies will probably break their own Southern record for attendance, counting games only at home or both at home and away.

### DEDICATION

Tulane University today turns its thoughts to its alumni who are serving with all of the other gallant men in the armed forces of our nation. We are proud to have so many of these fine young men with us today, occupying a great section of the East side of the stadium. We salute you.

This game today is affectionately dedicated to those men of Tulane who are serving with you. Here with us are only a few; many others are listening by radio and there are yet others who are beyond even its range today. We are mighty proud of these Tulane men who wear the uniform. Some of them only twelve short months ago wore the Olive and Blue uniform on the gridiron. They are guardians of our most priceless heritage, the liberties that are an American tradition and which a European dictator endangers throughout the world.

For the eighteenth time since 1894 Tulane University meets the University of Alabama on the gridiron today. In these previous eighteen meetings the Crimson Tide of Alabama has won twelve times while the Green Wave has taken only four victories and one game was a tie.

\* \* \*

Alabama goes into today's game with a season's record of five victories against one defeat. The Tide has played five conference games, and one of these, with Mississippi State, was its only defeat. With the conference championship wide open as it is at this point, this game will go a long way towards deciding the wearer of the crown.

\* \* \*

During the past sixteen years, Tulane and Alabama have been co-champions of the conference three times. In 1925 and 1930 they were tied up for the championship of the Southern, and in 1934 of the Southeastern Conference.
